

AiV-DD4011

Model	AiV-DD4011
Video input / output	4 channel input, 4 channel output
HDD support	1 x 2 TB
SD card support	1 x 128 GB
Playback	4 channels
Recording Channels	4 channels, real time
Audio input/output	4 channel input and 1 channel output (can be turned off)
Sensor input / output	4 channel input / 1 channel output
G-sensor	Yes
VGA	-
LAN	-
Rs232	1
Rs485	1
Voice talkback port	Yes
Movement detection	Yes
Searchchannel mode	Time, date
System	Embedded Linux system, double MCU control
Time-lapse	Turn off function, time set between 5-7200 sec
Compression	H.264, main profile
Power	DC8-48V, anti-pulse voltage, low voltage protection
Operating temperature / humidity	From -65 to +65°C / ≤80%
