

AiV-DD8010

Model	AiV-DD8010
Video input / output	8 channel input, 2 channel output
HDD support	1 x 2 TB
SD card support	-
Playback	8 channels, D1 / 960H
Recording Channels	8 channels, D1 / 960H, real time
Audio input/output	8 channel input and 1 channel output (can be turned off)
Sensor input / output	8 channel input / 2 channel output
G-sensor	Yes
VGA	Yes
LAN	RJ45
Rs232	1
Rs485	1
Voice talkback port	Yes
Movement detection	Yes
Searchchannel mode	Time, date
System	Embedded Linux system, double MCU control
Time-lapse	Turn off function, time set between 5-7200 sec
Compression	H.264, main profile
Power	DC8-36V, anti-pulse voltage, low voltage protection
Operating temperature / humidity	From -65 to +65°C / ≤80%
